This is all the evidence I can send to be docketed until next Monday when I purchase a Manilla envelope to file the rest of the evidence on the docket. The Chief Judge will ~~be~~ realize I am innocent and must question the entire ~~question~~ criminal conviction of mine. This evidence proves I am not delusional, that I am advancing a fair and just reason for withdrawing my guilty plea.

Mayodon Chief of Police and the entire town council is no doubt apart of the New World Order. They know who I am and they know what I stand for so I will have to lay low after the two postings I will make. Please stand for us or we will all hang separately. Even if they aren't 100% in on the New World Order money matters they are apart of this partially by some subsidiary group or pack of corporations that work with the Bilderberg Group. The town of Mayodon is not immune to the garbage and BS of the New World Order and that is a fact as a news reporter I have been in 2-3 years.
